

## The FLASH Accelerator Core Team

### **Siegfried Schreiber (MFL) : Head FLASH Accelerator**

- Mathias Vogt (MFL) : deputy, beam dynamics, PolariX, operations, accelerator theory
- Juliane Rönsch-Schulenburg (MFL) : operations, novel FLASH2 operation modes, radiation safety
- Johann Zemella (MFL) : beam dynamics, new compression schemes, operations
  
- Arne Brinkmann (MBB) : technical coordinator, QA-officer, shift-leader, radiation safety
- Maximilian Falke (MFL) : technical coordinator, collimators, screens, operations
- Jürgen Haar (MBB) : technical coordinator, electricity/cooling/AC, safety, shift-leader
- Karsten Klose (MIN) : technical coordinator, injector lasers, operations
  
- Philipp Amstutz (MFL) : PhD student, beam dynamics, accelerator theory
- Christopher Gerth (MPY) : laser heater
- Eugenio Ferrari (MPY) : FLASH2020+ Pillar leader seeding
- Katja Honkavaara (MPY) : organization, scheduling, statistics
- Georgia Paraskaki (MFL) : new seedings schemes
- Lucas Schaper (MPY) : FLASH2020+ project leader
